Subject: Conversation with Downey, Scott

McClintock, Katie 12:17 PM:

i am free at 1 still and have an hour now. Should i gather my thoughts for orcco/apes? I think it would be good to have that convo but don't know if ed has desire/time for it today

Downey, Scott 12:19 PM:

We're still on with Ed as far as I know so gather away unless you need the time for glass work.

McClintock, Katie 12:19 PM:

ok, sounds good. there is always work to do but nothing pressing unless OR calls or something. I was going to go to spectrum to pick up data but it isn't ready

Downey, Scott 12:22 PM:

Ex. 5 - Deliberative Process

Downey, Scott 12:23 PM:

yea, I get it.

I think we had the call with Nina just before the storm

McClintock, Katie 12:24 PM:

FYI, in case you want to know i have been corresponding directly with the two plant owners for spectrum and uroboros, but because Bullseye lawyered up, my contact is now an attorney.

i'll check with julie monday

Downey, Scott 12:27 PM:

she may be teleworking today and reachable. she usually does on Fridays

McClintock, Katie 12:32 PM:

okay, she didn't respond to my other email but it doesn't really matter whether i catch her today or monday. thanks.

i told the perkins attorney the epa people who will be on the phone so he knows. and he will get answers to my clarification questions on their records monday

i just got instructions my iphone is ready!

I plan to be in the office monday to pick it up

Downey, Scott 12:34 PM:

great

One thing Julie and I noticed is that we can't access the one drive from our phones. I going to check with PC support to see if there's a way
